

ANNUAL SPONSORSHIP

COST

MEGAWATT SPONSORSHIP - This exclusive sponsorship offers numerous benefits, including a coveted speaking opportunity at our annual meeting. Your company will be prominently featured on the permanent plaques of our major projects. Your company's logo, accompanied by a link and a compelling description of your business, will enjoy priority placement on our website. Furthermore, we will showcase your company through a public feature on our social media platforms. **\$3,000**

KILOWATT SPONSORSHIP - As a Kilowatt sponsor, your company's logo, accompanied by a link, will be prominently displayed on our website, allowing visitors to easily explore your business. Furthermore, we will highlight your company through a public feature on our social media platforms. **\$1,000**

WATT SPONSORSHIP - The Watt sponsorship offers a significant opportunity for your company. Your company's logo, accompanied by a link, will be prominently featured on our website, providing valuable visibility. **\$500**

PROFESSIONAL - Designed for professionals seeking to make a significant contribution beyond the individual membership level. This membership tier offers a distinguished "Professional Member" listing on Olympia Community Solar's website, along with the option to include your email address. **\$100**

INDIVIDUAL - Tailored for anyone passionate about advancing solar energy, Individual member's names are prominently listed on Olympia Community Solar's website under the "Individual Members" section, showcasing your dedication to this important cause. **\$50**

PAYMENT INFORMATION: To send your payment to Olympia Community Solar at PO Box 2843, Olympia WA 98507. Alternatively, you can conveniently purchase a membership online by visiting olysol.org/sponsorship. For those who prefer an electronic invoice, kindly email us at info@olysol.org.

TAX DEDUCTIBILITY: All or part of your sponsorship payment may be eligible for a tax deduction as a charitable contribution.

DISCLAIMER: We want to emphasize that the sponsorship of our organization does not influence our procurement decisions. However, as Olympia Community Solar aims to showcase your business to our trusted community, we have certain requirements for our sponsors. These include maintaining an A rating with the Better Business Bureau (BBB), being in good standing with L&I (Labor and Industries), complying with relevant licensing requirements for your industry, and promptly addressing any complaints, should they arise.
